

# Questions to Ask Your Baby's Provider

**How do I reach you outside of scheduled appointments? Do you answer questions by email? Do you accept calls for non-emergency questions? If I leave a message, how long does it usually take you to return the call?**

---

---

---

---

---

**What if my baby gets sick when the office is closed? How are off-hour medical concerns handled?**

---

---

---

---

**What hospitals do you work with? If my baby has to go to the hospital, where would they be taken?**
